

INDY WOLVERINES

Potential Sponsors!!

My name is Dale Illingworth and I am the Head Coach for the Indy Wolverines, a youth football/wrestling organization. Our league's mission is to instill self-confidence, discipline, strong mental attitudes, sportsmanship, competitiveness and physical fitness into the youth of our community while teaching the sport of football. We believe that by developing these skills and attributes, our children are building a foundation for success. For the first year we were on our own when it came to funding. We consider any donation to our league an investment into the future of our community. Donations of any amount are greatly appreciated and all sponsorship money is used for tournament entries, equipment and certain travel related expenses. This is a brand-new Organization. Any help is greatly needed and appreciated. Believe in these kids as I have been with them for a few years now.

All sponsors will be reflected on a sponsorship shirt that we wear to all events. Businesses that sponsor \$1,000 each season will have their business logos on our uniforms in the best areas to support the companies that believe in us and our kids. Also, all sponsors will be recognized and invited to our end of the year banquet.

Thank you for your interest and support of the Indy Wolverines.
